- who we are and how we can be contacted
- the advice and services we provide

Documents you may receive

We will provide you with a number of documents as you progress through our financial planning process to capture each stage of your advice journey. We may provide these documents to you electronically to your nominated email address, unless otherwise agreed.

When we provide personal advice it will normally be documented and provided to you in a Statement of Advice (SoA), known as a financial plan. The financial plan contains a summary of your goals and the strategies and any financial products we may recommend to achieve your goals. It also provides you with detailed information about product costs and the fees and other benefits we and others will receive, as a result of the advice we have provided.

If we provide further personal advice a financial plan may not be required. We will keep a record of any further personal advice we provide you for seven years. You may request a copy of such records by contacting our office during that period.

If we recommend or arrange a financial product for you we will provide a product disclosure statement (PDS) or investor directed portfolio service (IDPS) guide where relevant. These documents contain the key features of the recommended product, such as its benefits and risks as well as the costs you will pay the product provider to professionally manage that product.

You should read any warnings contained in your advice document, the PDS or IDPS guide carefully before making any decision relating to a financial strategy or product.

Tax implications of our advice

Under the Tax Agent Services Act 2009, Capital Wealth Group Pty Ltd as Trustee for the Palermo Family Trust is authorised by the Tax Practitioners Board to provide tax (financial) advice services on matters that are directly related to the nature of the financial planning advice provided to you. We will not consider any other tax matters in our advice to you. Where tax implications are discussed they are incidental to our recommendations and only included as an illustration to help you decide whether to implement our advice.

Transaction services

If you do not require advice, we can also arrange for you to apply for limited types of financial products where we can take your instructions and arrange for the transaction to be completed, without providing personal advice. If you wish to proceed without our advice, we will ask you to confirm your instructions, which we will document in writing. You can ask us for a copy of this documentation at any time.

Your relationship with us and using our services

You can contact us directly with any instructions relating to your financial products. This includes giving us instructions by telephone, mail or email. We can only accept your instructions via email once you have signed an authority form.

We will work with you to agree what advice and services we will provide and when and how often we will provide them.

Where you agree to ongoing advice and services, the details will be documented and provided to you in a service agreement. This includes the frequency of contact between us, service standards that may apply, any ongoing fee arrangements and how the service can be terminated.

If at any time you wish to terminate your relationship with us, please contact us using the details shown in this guide.

Providing information to us

It is important that we understand your circumstances and goals, so that we can provide you with appropriate advice and services. You have the right not to provide us with any personal information. Should you choose to withhold information, or if information you provide is incomplete or inaccurate the advice or services we provide you may not be appropriate for you.

It is also important that you keep us up to date by informing us of any changes to your circumstances so we are able to determine if our advice continues to be appropriate.

Our fees

The fees charged for our advice and services may be based on a combination of:

- A set dollar amount; or
- A percentage based fee.

Our agreed advice and service fees may include charges for:

- Initial advice; and
- Ongoing advice.

Please note that for services in relation to insurance, banking deposit products, some loan products and older investment products, commissions may be paid by the product provider as follows:

- Initial commission - a percentage of the value of your investment contributions, loan balance or insurance premiums; and
- Ongoing commission - a percentage of the value of your investment balance, outstanding loan amount or premiums, usually calculated at the end of each month in which you hold the investment or loan, or on renewal of insurance products.

Payment methods

We offer you the following payment options for payment of our advice fees:

- BPAY, direct debit (savings), credit card or cheque; and
- Deduction from your investment.

All fees and commissions will be paid directly to Hillross as the licensee. They retain a percentage (as a licensee fee) to cover their costs and the balance is passed on to us. The percentage is determined annually, based on a number of factors, including our business revenue for the prior year.

For details of our service fees, please refer to **Schedule of fees** on page 16.

Other costs

Where other costs are incurred in the process of providing our advice and services to you, you will be liable for these costs. However, we will agree all additional costs with you prior to incurring them.

Other benefits we may receive

The following is a list of benefits we may receive other than those explained above. These are not additional costs to you. These benefits may be monetary or things like training, events or incentives we are eligible for.

In addition to the payments we may receive for our advice and services, we may receive other support services from the licensee. We may also be eligible to receive financial and training assistance, prizes and awards or events in recognition of financial planning excellence and innovation, and business performance. These benefits are paid at the licensee's discretion and the amounts are set by the licensee from time to time (usually on an annual basis). We may also participate in business lunches or receive corporate promotional merchandise tickets to sporting or cultural events and other similar items.

Development, management and advice recognition

We may qualify to receive a DMA payment to recognise our growth and professionalism. The DMA payment is based on a rate, calculated once per year, and determined by our ranking relative to other Hillross firms. Up to 60% of all Hillross firms may qualify for DMA payments. The relevant rate may range from 0% to 10%, depending on our ranking. It is then applied to our firm revenue of the prior year and paid to us once a year.

For example, if our DMA is set at 1% and our revenue for the prior year was \$200,000, we would receive a total of \$2,000 for that year.

How our performance is ranked

Ranking of practice is determined yearly by a points system which is a broad measure of the growth and professionalism of our practice as compared to other practices in the Hillross Financial Services network. The points system is based on a combination of factors within a balanced scorecard such as the quality of our services, compliance, our business goals and our engagement with our clients through a measure called Advice Growth Index (AGI). AGI measures the value of our fee for service revenue and the change in our clients' product holdings over the prior measurement period (usually a period of approximately 12 months).

Para-planning costs subsidy

We may be eligible for a subsidy from AMP in relation to paraplanning costs, depending on the number of paraplanning requests that we make in a particular month. If our practice submits a minimum of 5 paraplanning requests per eligible authorised representative in our practice, we receive a discount of up to 10% in relation to these costs. For example, if the total cost of 5 SOAs is \$1,000 we will receive a discount of up to \$100 (10% x \$1,000 = \$100) and pay a discounted fee of minimum \$900.

Placement fees

From time to time Hillross will receive fees from brokers or product issuers (including AMP group companies) for arranging client participation in Initial Public Offerings (IPOs) of financial products. The fee, which is generally a percentage of the fee paid to the broker, varies from offer to offer and by the level of participation by Hillross. We may share in this fee based on the level of participation by our clients.

Business buy-back option

If we leave the financial services industry, Hillross makes available a facility for its authorised representatives to transfer their clients. If this happens, Hillross may buy back the servicing rights of our clients. The facility is subject to certain conditions (such as, reason for sale, time the firm has been operating with Hillross, level of adherence to Hillross compliance requirements and achieving a satisfactory level of customer service), and provides a minimum value for our register of clients. The minimum value is based on a multiple of firm revenue. If at some future time we should look to sell our firm, Hillross may purchase the servicing rights of our clients in these circumstances.

Personal and professional development

Hillross provides personal and professional development opportunities in the form of education and professional development programs, offered annually to qualifying practices.

Summit

The Summit is a national convention available to advisers from all Hillross practices. Hillross subsidises the expenses of those who attend the convention up to a maximum value of \$1,200 per annum per practice.

Education and professional development programs

Hillross will subsidise the cost of our participation in approved education and professional development programs if we meet specific qualification criteria. The qualifying criteria is based on a combination of factors including the quality of our services, our business goals and our ranking against other practices in Hillross. The maximum amount of this subsidy is \$12,000 per annum per practice. Advisers are able to allocate a percentage of their grant towards travel and accommodation to attend an approved course.

Amicus program

In addition to the above, certain practices that meet additional qualification criteria will be eligible to participate in the Amicus program, an additional personal and professional development program organised by Hillross. If a practice qualifies for the Amicus program, Hillross will subsidise the cost of their participation up to a maximum value of \$15,000 per annum per practice.

Relationships and associations

It is important that you are aware of the relationships that Hillross has with providers of financial services and products as they could be seen to influence the advice you receive.

Hillross' relationships with other companies

AMP Services Limited provides administration services and distribution infrastructure services to several issuers of financial products and loan products under agreements entered into prior to 1 July 2013.

In return for those services, AMP Services Limited receives remuneration as set out below:

- For investment products and loan products – up to 0.33%* p.a. of funds under administration, the balance of any relevant cash account or the total loan value outstanding.

*includes GST

By way of example:

- If total funds under administration for a particular investment product is \$10 million, AMP Services Limited would receive \$33,000.

Margin lenders may make payments to AMP Services Limited of up to 0.55% pa (including GST) in respect of margin loans calculated on the outstanding balance of a loan. Payments are normally made monthly. As an example, for each \$10,000 of an interest only loan, the payment would be \$55 over a year. However, for other loans, the payments will vary as interest is charged and principal is repaid. Our firm does not receive any part of the payments received by AMP Services Limited, although we may indirectly benefit from these arrangements through the Hillross recognition program referred to earlier in this Guide.

From time to time, AMP Services Limited may facilitate access to Hillross and its authorised representatives for issuers to train or educate Hillross and its authorised representatives on their products.

Arrangements with platform providers

This section of the FSCG sets out our relationships with platform providers and how these may influence the advice we give you.

Overview

Where you invest through platform products and services (such as investor directed portfolio services or IDPS), we may receive remuneration from those platform providers. Fees, commission payments and other benefits may be calculated as a percentage of your financial interest in a product or service or on the total amount of business advised. The amount and calculation of those fees are shown in the relevant disclosure document. Some fees and commission payments we earn may relate to arrangements existing before 1 July 2013.

Specific arrangements

We have arrangements with third parties for administration and support services in relation to the products below.

PortfolioCare platform

PortfolioCare products and services are issued by companies in the AMP Group. Other companies in the AMP Group also provide services in respect of PortfolioCare. Administration services are performed by Asgard Capital management Limited (Asgard).

If you access a product in the PortfolioCare range, then administration fees and, where applicable, trustee fees, are deducted from your account. These fees, as set out in the product disclosure statement or IDPS Guide, are paid to Hillross after deduction of expenses for administration services and other services provided as mentioned above.

Further details about the fees and costs of investing in PortfolioCare are detailed in the relevant product disclosure statement or IDPS Guide. For closed products, please review the product disclosure statement you received when first investing in the product together with any correspondence from the issuer outlining changes to those fees and costs. Note that PortfolioCare Elements (super/pension, investment) closed to new members and investors in 2016.

Definitive Wrap platform

Definitive Wrap closed in 2014.

If you have accessed a product through the Definitive platform, which is operated by Macquarie Investment Management Limited (MIML), then the administration fees are deducted from your account within that platform and paid to Hillross. MIML is paid a fee by Hillross for administering this platform.

Further details about the fees and costs of investing in the Definitive Wrap platform are detailed in the product disclosure statement or IDPS guide you received when first investing in your product or service together with any correspondence from MIML outlining changes to those fees and costs.

AMP Personalised Portfolio platform (Personalised Portfolio Service or PPS)

PPS is operated by NMMT Limited ((NMMT), which is part of the AMP Group. If you invest into PPS your administration fees are payable to NMMT. NMMT passes a portion of these fees on to other AMP group companies and associates, including Australian Securities Administration Limited for the administration services they provide.

If you invest in a model portfolio or managed fund managed by a company in the AMP Group or Hillross, they may also receive investment management and performance fees based on your investment in their investment options.

Payments made to AMP group companies are generally calculated as a percentage based on the amount of money you have invested into PPS or, for any investment management and performance fees, a particular investment option.

Further details about the fees and costs of investing in PPS are detailed in the product disclosure statement for PPS.

Our referral arrangements

Where you have been referred to us by someone else we may pay them a fee, commission or some other benefit in relation to that referral. Our current referral arrangements are detailed below:

Provider	Payment arrangement
AMP Bank	Up to 0.85% initial commission and up to 0.25% ongoing commission For example, for a loan of \$100,000, we would receive up to \$850.00 initial commission and up to \$250.00 ongoing commission.
