Documents you may receive in the financial planning process

We will provide you with several documents as you progress through your financial planning and advice journey. We may provide these documents electronically to your nominated email address, unless otherwise agreed.

When we provide personal advice, it will normally be documented and provided to you in a Statement of Advice (SoA). The SoA contains a summary of your goals and the strategies and any financial products we may recommend to achieve your goals. It also provides you with detailed information about product costs and the fees and other benefits we and others will receive, as a result of our advice.

If we provide further personal advice an SoA may not be required. We will keep a record of any personal advice we provide you for seven years. You may request a copy of such records by contacting us during that period.

If we recommend or arrange a financial product for you, we will provide a Product Disclosure Statement (PDS), or Investor Directed Portfolio Services (IDPS) guide where relevant. These documents contain the key features of the recommended product, such as its benefits and risks, as well as the costs you will pay the product provider to manage that product. You should read any warnings in your advice document, the PDS or IDPS guide carefully before making any decision relating to a financial strategy or product.

About Akumin Pty Limited & Entireti Limited

The Licensee is a wholly-owned subsidiary of Akumin Pty Limited.

Akumin Pty Limited is a subsidiary of Entireti Limited, a group that specialises in licensing and advice business services to financial planning practices and their clients.

AMP Limited holds a minority stake (currently 30%) in Akumin Pty Limited.

We can provide advice on products and services from a wide range of financial product and service providers, some of which are related or associated with the Licensee.

If we recommend a product issued by AMP Limited or a third party product issuer, they will benefit from our recommendation by receiving product, administration and investment fees, as well as fees paid by fund managers to distribute their product. These fees are all disclosed in the relevant PDS or IDPS guide.

The Licensee maintains an APSL, from a diversified selection of approved Australian and International fund providers, including companies related to the Licensee. These have been researched by external research houses as well as our in-house research team. The Licensee regularly reviews products and services to ensure they remain competitive with similar products that address similar client needs and objectives. Generally, we recommend products on the APSL. However, if appropriate for your needs, we may, subject to the Licensee's approval, recommend other products.

Authorised Representatives and/or staff employed in our business may hold shares in AMP Limited, whose share price may be favourably affected by the sale of products issued by AMP Group companies.

Our fees

We will discuss and agree the actual fees with you before we proceed and where relevant the fees and commissions will be disclosed in the advice document provided to you. The following section outlines the types of fees that may apply.

The fees charged for our advice and services may be based on a combination of a set dollar amount, or a percentage-based fee. Our agreed advice and service fees may include charges for one off or regular fees. We may also receive initial or ongoing commissions from certain product providers.

Licensee fees

Unless stated otherwise, all permissible revenue, including any advice and service fees and commissions will be paid to the Licensee. It will then pass on the amounts due to us through its payment system. The Licensee charges us a Licensee Fee each year. The Licensee Fee is determined as an annual amount based on a number of factors, including our business revenue, the number of advisers and/or accredited mortgage consultants in the practice and a practice fee.

The actual agreed fees will depend on factors such as the complexity of your circumstances and goals and the scope of the advice. All fees and charges include GST.

If we agree to charge a fee for credit services, we will provide you with a quote and gain your acceptance before we proceed. Where we do not provide you a quote, there will be no charge directly to you for these activities and we will receive commissions from the lender only.
