FINANCIAL SERVICES AND CREDIT GUIDE

HALLERWEALTH

Version: 4.0

Date prepared: Tuesday, 19 December 2017

It is important that you read this Financial Services and Credit Guide (FSCG). It contains information that will help you decide whether to use any of the financial services offered by us, as described in this guide, including:

- who we are and how we can be contacted
- the advice and services we provide
- information about our licensee Hillross Financial Services Limited (Hillross)
- our fees and how we, your adviser and Hillross, are paid in connection with those services
- how we manage your private information
- how you can complain about a matter relating to us or Hillross

Documents you may receive

We will provide you with a number of documents as you progress through our financial planning process to capture each stage of your advice journey. We may provide these documents to you electronically to your nominated email address, unless otherwise agreed.

When we provide personal advice it will normally be documented and provided to you in a Statement of Advice (SoA), known as a financial plan. The financial plan contains a summary of your goals and the strategies and any financial products we may recommend to achieve your goals. It also provides you with detailed information about product costs and the fees and other benefits we and others will receive, as a result of the advice we have provided.

If we provide further personal advice a financial plan may not be required. We will keep a record of any further personal advice we provide you for seven years. You may request a copy of such records by contacting our office during that period.

If we recommend or arrange a financial product for you we will provide a product disclosure statement (PDS) or investor directed portfolio service (IDPS) guide where relevant. These documents contain the key features of the recommended product, such as its benefits and risks as well as the costs you will pay the product provider to professionally manage that product.

You should read any warnings contained in your advice document, the PDS or IDPS guide carefully before making any decision relating to a financial strategy or product.

Hillross' relationships with other companies

AMP Services Limited provides administration services and distribution infrastructure services to several issuers of financial products and loan products under agreements entered into prior to 1 July 2013.

In return for those services, AMP Services Limited receives remuneration as set out below:

- For investment products and loan products – up to 0.33%* p.a. of funds under administration, the balance of any relevant cash account or the total loan value outstanding.
- For insurance products – up to 10%* p.a. of the total premium paid.*includes GST

By way of example:

- If total funds under administration for a particular investment product is \$10 million, AMP Services Limited would receive \$33,000.
- If total premiums for insurance products are \$1 million, AMP Services would receive up to \$100,000.

From time to time, AMP Services Limited may facilitate access to Hillross and its authorised representatives for issuers to train or educate Hillross and its authorised representatives on their products.

Arrangements with platform providers

Margin lenders may make payments to AMP Services Limited of up to 0.55% pa (including GST) in respect of margin loans calculated on the outstanding balance of a loan. Payments are normally made monthly. As an example, for each \$10,000 of an interest only loan, the payment would be \$55 over a year. However, for other loans, the payments will vary as interest is charged and principal is repaid. Our firm does not receive any part of the payments received by AMP Services Limited, although we may indirectly benefit from these arrangements through the Hillross recognition program referred to earlier in this Guide.

The Personalised Portfolio (PP) platform

The Personalised Portfolio Platform is operated by AMP Capital Investors Limited (AMP Capital). If you invest in the PP platform your fees are payable to AMP Capital. AMP Capital passes a portion of these fees on to other AMP group companies and associates, including:

- Hillross for investment research and platform support services;
- us for any wealth management services provided; and
- if you invest in a model portfolio or managed fund managed by AMP Capital or Hillross, they may also receive investment management and performance fees based on your investment in their investment options;
- Australian Securities Administration Limited for the administration services they provide.

Payments made to AMP group companies are generally calculated as a percentage based on the amount of money you have invested in the PP platform or, for any investment management and performance fees, for a particular investment option.

Up to 100% of the administration fees you pay for the PP platform may be notionally allocated to Hillross.

Further details about the fees and costs of investing in the PP platform are detailed in the product disclosure statement for the PP platform.

PortfolioCare Platform

The PortfolioCare range of administration services are issued by companies in the AMP Group. These companies have an agreement with Asgard Capital Management Limited (Asgard) under which Asgard administers the PortfolioCare administration services in addition to administration and support services also provided by AMP companies.

If you access a product in the PortfolioCare range, then administration and, where applicable, custodial share and trustee fees are deducted from your account. These fees, as set out in the product disclosure statement or IDPS Guide, are paid to Hillross after deduction of expenses for administration and support services described above.

A full description of the fees is in the relevant product disclosure statement or IDPS guide for the relevant service. Our firm does not receive any part of the payments received by Hillross.

Hillross may also qualify for a share of the profit on the life insurance business taken out through the PortfolioCare platform. The profit is based on the claims experience for that business and total premiums received. The AMP Group is paid a portion of that profit by the insurer, some of which is passed on to Hillross.

These payments are not shared with us.

Definitive Wrap platform

If you access a product through the Definitive platform, which is operated by Macquarie Investment Management Limited (MIML), then the administration fees are deducted from your account within that platform and paid to Hillross. MIML is paid a fee by Hillross for administering this platform. The administration fees are not shared with us.

Further details about the fees and costs of investing in the Definitive Wrap platform are detailed in the product disclosure statement/IDPS guide for the Wrap platform.

We may receive payments to refer you to other service providers. These amounts do not involve additional costs and will be disclosed in your statement of advice. Our current referral arrangements are detailed below:

Our services for Managed Discretionary Accounts

We offer limited types of Managed Discretionary Account services (MDA services) within approved investment platforms. Through these services, you allow us to manage your investments for you, using our discretion and without obtaining your instructions before each transaction we undertake on your behalf. However, we do not (and we are not authorised to) open new accounts, withdraw funds or contribute funds to your investment.

What are the risks associated with using the MDA service?

By authorising us to make changes to your investments, you cannot claim we were not acting on your behalf if we acted within the authority given. Therefore, our acts bind you. It is important you understand what we are authorised to do and that you carefully read and understand the activities that you are authorising us to do on your behalf.

How can you instruct us to exercise rights relating to the financial products in your portfolio?

Generally, the financial products that we invest in on your behalf do not have any additional rights or entitlements attached to them. However, if there are, we will let you know. You can then instruct us how you wish us to proceed.

Do you have to enter into a contract for us to provide MDA services?

Yes. This MDA contract will set out the terms and conditions of the authority and also the investment program, which sets out how your money will be invested. We will agree and prepare the investment program for you based on your relevant personal circumstances, your financial objectives and your needs and review the program every 12 months.

Will the investment program in the MDA contract comply with the law?

If this is relevant, then the investment program set out in the MDA contract will comply with the law. The relevant law is Division 3 of Part 7.7 of the Corporations Act. The contract will also contain:

- statements about the nature and scope of the discretions we will be authorised and required to exercise under the MDA contract
- any investment strategy that is to be applied in exercising those discretions
- information about any significant risks associated with the MDA contract
- the basis on which we consider the MDA contract to be suitable for you, and
- warnings that the MDA contract may not be suitable to you if you have provided us with limited or inaccurate information. It will also specify that the MDA service may cease to be suitable for you if your relevant personal circumstances change.

Do we provide custodial or depository services for your portfolio?

We do not provide custodial or depository services. This means that you will either hold the investments in the portfolio, or the custodian nominated for that financial product will hold them.

This financial services guide complies with the ASIC Class Order 04/194.
