Documents you may receive

We will provide you with a number of documents as you progress through our financial planning process, to capture each stage of your advice journey. We may provide these documents to you, electronically to your nominated email address, unless otherwise agreed.

When we provide personal advice, it will normally be documented and provided to you in a Statement of Advice (SoA), known as a financial plan. The financial plan contains a summary of your goals and the strategies and any financial products we may recommend to achieve your goals. It also provides you with detailed information about product costs and the fees and other benefits we and others, will receive as a result of the advice we have provided.

If we provide further personal advice, a financial plan may not be required. We will keep a record of any further personal advice we provide you for seven years. You may request a copy of such records by contacting our office during that period.

When we provide credit advice, we will conduct a preliminary assessment to determine the suitability of a particular product. This is normally documented and provided to you in an SoA, a record of debt advice, or a Credit Proposal. We will retain a record of the debt advice which you may request by contacting our office within seven years of the assessment.

If we recommend or arrange a financial product for you, we will provide a product disclosure statement (PDS) or investor directed portfolio service (IDPS) guide where relevant. These documents contain the key features of the recommended product, such as its benefits and risks as well as the costs you will pay the product provider to professionally manage that product.

You should read any warnings contained in your advice document, the PDS or IDPS guide carefully before making any decision relating to a financial strategy or product.

Our services for Managed Discretionary Accounts

We offer limited types of Managed Discretionary Account services (MDA services) within approved investment platforms. Through these services, you allow us to manage your investments for you, using our discretion and without obtaining your instructions before each transaction we undertake on your behalf. However, we do not (and we are not authorised to) open new accounts, withdraw funds or contribute funds to your investment.

What are the risks associated with using the MDA service?

By authorising us to make changes to your investments, you cannot claim we were not acting on your behalf if we acted within the authority given. Therefore, our acts bind you. It is important you understand what we are authorised to do and that you carefully read and understand the activities that you are authorising us to do on your behalf.

How can you instruct us to exercise rights relating to the financial products in your portfolio?

Generally, the financial products that we invest in on your behalf do not have any additional rights or entitlements attached to them. However, if there are, we will let you know. You can then instruct us how you wish us to proceed.

Do you have to enter into a contract for us to provide MDA services?

Yes. This MDA contract will set out the terms and conditions of the authority and also the investment program, which sets out how your money will be invested. We will agree and prepare the investment program for you based on your relevant personal circumstances, your financial objectives and your needs and review the program every 12 months.

Will the investment program in the MDA contract comply with the law?

If this is relevant, then the investment program set out in the MDA contract will comply with the law. The relevant law is Division 3 of Part 7.7 of the Corporations Act. The contract will also contain:

- statements about the nature and scope of the discretions we will be authorised and required to exercise under the MDA contract
- any investment strategy that is to be applied in exercising those discretions
- information about any significant risks associated with the MDA contract
- the basis on which we consider the MDA contract to be suitable for you, and
- warnings that the MDA contract may not be suitable to you if you have provided us with limited or inaccurate information. It will also specify that the MDA service may cease to be suitable for you if your relevant personal circumstances change.

Do we provide custodial or depository services for your portfolio?

We do not provide custodial or depository services. This means that you will either hold the investments in the portfolio, or the custodian nominated for that financial product will hold them.

This financial services guide complies with the ASIC Class Order 04/194.
