

## 2014 HILLROSS PROFESSIONAL EXCELLENCE AWARD

Congratulations

**HELEN POSTLE**  
**HILLROSS SPRINGWOOD**

Hillross would like to congratulate Helen Postle for her outstanding achievement in winning the **2014 Hillross Professional Excellence Award**.

This prestigious award was open to all Hillross advisers across Australia. The winner was carefully selected following a decision by a panel of judges from the Hillross Leadership Team.

Helen is a familiar face in the planning community, regularly seeking and sharing her opinions with peers to drive positive change. She has been an advocate for client engagement for many years, utilising her own pre-planning snapshot to understand clients. Helen and her professional team create an environment where clients are comfortable to open up. She works to ensure that every new client walks out of Financial Design with a true understanding of their discussion and vision of the value she is creating for them.

This award is a recognition of the value she provides to her clients and the deep understanding she has of her clients needs.
