Date prepared: Monday, 17 January 2022

This Financial Services and Credit Guide (FSCG) contains information that will help you decide whether to use the financial services we offer. It sets out:

- who we are and how we can be contacted
- the advice and services we provide
- information about our licensee, Hillross Financial Services Limited (Hillross)
- our fees and how we, and Hillross are paid in connection with those services
- how we manage your private information
- how you can complain about a matter relating to us or Hillross

Documents you may receive

We will provide you with a number of documents as you progress through our financial planning process to capture each stage of your advice journey. We may provide these documents to you electronically to your nominated email address, unless otherwise agreed.

When we provide personal advice it will normally be documented and provided to you in a Statement of Advice (SOA), known as a financial plan. The financial plan contains a summary of your goals and the strategies and any financial products we may recommend to achieve your goals. It also provides you with detailed information about product costs and the fees and other benefits we and others will receive, as a result of the advice we have provided.

If we provide further personal advice a financial plan may not be required. We will keep a record of any further personal advice we provide you for at least seven years after our relationship ends. You may request a copy of such records by contacting our office during that period.

When we provide credit assistance we will conduct a preliminary assessment to determine the suitability of a particular product. This is normally documented and provided to you in a Record of debt advice or a Credit Proposal. We will retain a record of the debt advice or Credit Proposal for at least seven years from the date our relationship ends. You may request a copy by contacting our office. We will only provide recommendations to apply for a particular credit contract with a certain lender or increase the credit limit of a particular credit contract where the contract meets your needs and objectives and is not unsuitable to your circumstances.

If we recommend or arrange a financial product for you we will provide a product disclosure statement (PDS) or investor directed portfolio service (IDPS) guide where relevant. These documents contain the key features of the recommended product, such as its benefits and risks as well as the costs you will pay the product provider to manage that product. You should read any warnings contained in your advice document, the PDS or IDPS guide carefully before making any decision relating to a financial strategy or product.

Not Independent

Generally, we provide personal advice in line with our Approved Product and Services List (APSL) which may include financial products and services associated with the licensee. We may receive commissions from life insurance products we recommend and non-monetary benefits such as training and educational seminars from product providers. For these reasons, we are not considered independent, impartial, or unbiased.

Please note that for services in relation to insurance and some credit products, commissions may be paid by the product provider as follows:

- Initial commission - a percentage of the value of your loan balance or insurance premiums; and
- Ongoing commission - a percentage of the value of your outstanding loan amount or premiums, usually calculated at the end of each month in which you hold the loan, or on renewal of insurance products

All permissible fees and commissions will be paid directly to Hillross as the licensee. They retain a percentage (as a licensee fee) to cover their costs and the balance is passed on to us. Other benefits we may receive

The following are monetary and non-monetary benefits we may receive other than those explained above. These are not additional costs to you.

In addition to the payments we may receive for our advice and services, we may receive other support services or recognition from the licensee to help us grow our business. This could include education or training support, badging rights, technology, financing, events or other recognition we are eligible for. We may receive benefits from product issuers that may include non-monetary benefits that are valued at less than \$300. We may also participate in business lunches or receive corporate promotional merchandise tickets to sporting or cultural events and other similar items.

Development, management and advice (DMA) run off payments

Eligibility to receive DMA run off payments is dependent on us continuing to be authorised by and meeting standards set by Hillross. From 31 January 2020 we will be eligible to receive run off payments based on the amount of advice revenue we generated in 2018. Advice revenue includes revenue directly attributable to advice provided to a client for an agreed fee. It excludes commissions from investment, insurance and banking products. These payments are to assist with our cashflow over 3 years as set out in the table below. Run off payments will not be made after January 2023.

Year	Total annual amount

2022	\$10,500.00

Placement fees

From time to time Hillross will receive fees from brokers or product issuers (including AMP group companies) for arranging client participation in Initial Public Offerings (IPOs) of financial products. The fee, which is generally a percentage of the fee paid to the broker, varies from offer to offer and by the level of participation by Hillross. We may share in this fee based on the level of participation by our clients.

Business buy-back option

Where we request Hillross to buy-back our business on or prior to 31 December 2021 and this is approved by Hillross, then if we leave the financial services industry, Hillross makes available a facility for its authorised representatives to transfer their clients. If this happens, Hillross may buy back the servicing rights of our clients. The facility is subject to certain conditions (such as, reason for sale, time the firm has been operating with Hillross, level of adherence to Hillross compliance requirements and achieving a satisfactory level of customer service), and provides a minimum value for our register of clients. The minimum value is based on a multiple of firm revenue. If at some future time we should look to sell our firm, Hillross may purchase the servicing rights of our clients in these circumstances.

Personal and professional development

Hillross offers education, personal and professional development opportunities to our firms on an annual basis. Participation in these opportunities may be based on attainment of qualifying criteria or open eligibility.
